SPORTS MARKETING & MEDIA

ABOUT US

Mahoning Valley Sports is a digital media company promoting professional and student athletes in northeast Ohio. We cover Game Day Action sporting events with our team of professional sports photographers. Our high quality professional images highlight the students in action, and capture those truly amazing moments that will forever be remembered.

GAME DAY GALLERIES

Our Game Day Galleries will be uploaded to our website for parents to purchase. A portion of the proceeds will be donated at the end of the season.

YEARBOOK

Schools will have a 4 digit pin code to download any images they would like to use for yearbook at no charge. (Logos & watermarks removed)

MENTORSHIP PROGRAM

Our professional sports photographers will work with student photographers in helping them get an edge on their photography skills during game day.

GIVE BACK TO SCHOOLS

We work with local high schools all across Trumbull and Mahoning counties. We work with sponsors, boosters, local media outlets, and parents focusing on local student athlete achievements. Any prints or downloads that parents and media outlets purchase will be donated back to the school at the end of the school year!
